1. Introduction

This website will be used by graduate students of Engineering Management of Eastern Michigan University. This website will be used to enhance students' experiences of online education.

2. Home

In this page that you can have access to it by clicking on Home menu at the top of the website, you will find general information about the Engineering Management program. For further information you can go to Public menu.

3. Students' information

By clicking on the Students menu at the top of the website, you will have access to some information such as (the linked are shown below in the orange rectangular) :

1. The list of the courses that you have had in this program. (This list might not be complete).
2. Your profile and biography that can be edited and updated through this website.

The screenshot shows the website header with logos for Eastern Michigan University, College of Technology, and Engineering Management. A green navigation bar contains links: Home, Students, Public, Alumni, News, Admin, Help, and logout. Below the navigation bar, the user is greeted with "Welcome Mohammad-Esmaeili" next to a profile picture. A list of links is enclosed in an orange rounded rectangle: [My courses](#), [Edit my profile](#), and [Biography and introduction](#). To the right, a section titled "OUR GOALS" lists several objectives: [Creating a Knowledge Mangement System](#), [Inform our studend about the current jobs](#), [Facilitate our students communication](#), [Provide course related resources](#), [Facilitate teams communication](#), and [Current research projects](#).

3.1 Course resources

Each course has several resources such as Frequent Asked Questions (FAQ), Knowledge Management System, Glossary, and related jobs. By clicking on the student tabs in the previous figure you are going to see the "My Course" link that redirect you to the courses that you have had. As you can see in the following figure:

List of your courses

Course Name	Year	Semester	Status	Face to Face
EM505-L	2010	Winter	0	1
EM505-L	2010	Fall	1	1
EM558-OL	2010	Winter	0	0

LATEST NEWS
01.05.2011 [The first phase](#) of the website will be u and running by the begining of the Winter semester.

The course name in the list of your courses will be hyperlink, if the course is active (if you have this class in the following semester). For example the EM505-L is active and you can see it with underline and if you click on that it will redirect you to the course page.

[Home](#) [Students](#) [Public](#) [Alumni](#) [News](#) [Admin](#) [Help](#) [logout](#)

Welcome to : [Managing Engineering & Technology \(EM505-L\)Fall 2010](#)

- [Glossary](#)
- [Knowledge Management \(F.A.Q\)](#)
- [Jobs](#)

Description:

An investigation of the functions and problems unique to managing engineering and technical operations. Topics include: engineering ethics and professionalism; managing research, design and other technical operations; technology impact; and the role of the technical professional. 3.000 Credit hours 3.000 Lecture hours

OUR GOALS

- [Creating a Knowledge Mangement System](#)
- [Inform our studend about the current jobs](#)
- [Facilitate our students communication](#)
- [Provide course related resources](#)
- [Facilitate teams communication](#)
- [Current research projects](#)

In the course page you will find several resources such as Glossary, FAQ, related jobs, and course description (there are going to be several other resources that will be added in later phases).

3.2 Edit my profile

On the student page you can find the “Edit my profile” link and after clicking on this tab you will be redirecting to my profile page.

Home Students Public Alumni News Admin Help logout

Edit my profile

- [Edit my profile](#)
- [Edit my password](#)
- [Edit my picture](#)
- [Edit my Biography](#)

OUR GOALS

- [Creating a Knowledge Management System](#)
- [Inform our student about the current jobs](#)
- [Facilitate our students communication](#)
- [Provide course related resources](#)
- [Facilitate teams communication](#)
- [Current research projects](#)

On this page you can change your profile information, password, your picture, and your biography. By clicking on each link you will be redirect (on the same page) to related section and then you will be able to edit the desire section.

Note:

1. The username is unique and couldn't be changed.
2. The picture should be jpg format and in small sizes. The system will not accept all types of images.
3. After submitting your changes, you need to check the bottom of the page to check the system's message to check if the changes are saved or there is a problem.

4. Alumni

This section is under the construction.

5. News

This section is under the construction.

6. Admin

Only members with admin permission will be able to access to this section. If you don't have admin permission you will be redirected to the student page, which you will be asked for proper authentication.

7. Help

It will provide you with general help and contact information.

8. Login/Logout

In the login page that you can have access that by clicking on login tab on the main menu or clicking on Students and Admin tab if you are not logged in, you will be asked for the username and password.
